Superior Room

Single Room

Private Ensuite

25m²

Superior rooms are extremely light, airy and pleasant rooms that offer large windows with views which are un-obstructed open and expansive, looking over pleasant outlooks. Some Superior rooms have direct northern orientation, with large windows that look out upon the front garden of the facility. Other Superior rooms are south facing, with large windows that look out upon the cycle/walkway track and unique bush setting. Superior rooms have been uniquely designed to cater to garden/courtyard or external outlooks in terms of orientation and design.

These rooms feature a private ensuite with ample personal storage and safety features such as grab rails, LED sensor light etc. Rooms offer interior designer selected superior décor and furnishings.

Room Features

- ✓ 43 inch ultra-high definition smart TV
- ✓ King Single floor line electric Bed with custom built in bed heads and custom designed bedspreads so that the bed appears completely domestic in appearance.
